Brooktree Golf Course Announces New Food & Beverage Services

OWATONNA, Mar. 4, 2025 – On March 3, the Owatonna City Council approved an agreement with Chill-Aquí to provide food and beverage services at Brooktree Golf Course.

According to Chill-aquí's owner, Brandon De La Rosa, "We are excited to be back serving familiar faces as well as new people from the community." Family-owned and operated, Chill-aquí at Brooktree will provide breakfast, lunch and dinner menus. Beverage options will be expanded with a full coffee and tea bar. The food and beverage agreement continues through 2029 and includes an on-the-course beverage cart.

"The City of Owatonna understands the importance of quality food and beverage options at Brooktree Golf Course and we believe Chill-aquí is a perfect fit—not just for golfers, but for the entire community," said T.W. Dieckmann, Park & Recreation Director. "Chill-aquí will bring an exciting and unique dining experience to the course, offering both grab-and-go options for golfers and a welcoming atmosphere for those looking to enjoy a great meal."

Follow Brooktree Golf Course on Facebook for updates on Chill-aquí's opening date and to find out when the course will open for the 2025 season. Brooktree, a city-owned golf course and clubhouse, is nestled along the banks of Maple Creek near the entrance of picturesque Mineral Springs Park. From the greens and the patio, the sound of the creek can be heard and the lush scenery can be seen.

The City of Owatonna's Park & Recreation Department provides a variety of green spaces, trails, facilities, programs and services to promote health, wellness, learning and having fun.
