Golfing Begins in Owatonna This Week
Brooktree Golf Course Upper 9 Set to Open March 26

OWATONNA, Minn., Mar. 24, 2025 – With spring weather, the upper nine holes at Brooktree Golf Course will be open for the 2025 golf season at noon March 26.

Starting March 27, tee times will be available beginning at 9 a.m. With the weather constantly changing, be prepared for weather-related delays that would delay daily starting times and limit clubhouse hours. The course may close on any given day during spring weather transitions. Be sure to check [owatonna.gov/brooktree](https://www.owatonna.gov/brooktree) daily to make sure the course and the clubhouse is open. The course will only offer nine-hole tee time bookings until golfing conditions on the lower nine holes become acceptable.

Book a tee time at [owatonna.gov/brooktree](https://www.owatonna.gov/brooktree). For additional information about Brooktree and to stay in the loop, follow Brooktree Golf Course on Facebook for updates. Chill-aqui is preparing to open in the Brooktree clubhouse. Its owners have expressed excitement for the season and are eager to see new and familiar faces when they open. Follow Chill-aqui on Facebook for updates regarding food and beverage options both on and off the course.

Brooktree, a municipally-owned golf course and clubhouse, is nestled along the banks of Maple Creek near the entrance of picturesque Mineral Springs Park. From the greens and the patio, the sound of the creek can be heard and the lush scenery can be seen.
