### Owatonna Fire Department Responds to Structure Fire

OWATONNA, MN, June 3, 2022 – Owatonna Firefighters responded to a structure fire on the 200 block of East Freemont Street.

Just before 3 p.m. June 2, the Owatonna Fire Department was dispatched to a structure fire on the 200 block of East Freemont Street. Upon arrival firefighter observed fire and smoke on the back of the structure.

Firefighters quickly extinguished the fire. No one was at home at the time and there were no injuries reported. The Owatonna Fire Department was assisted at the scene by Owatonna Police and the Minnesota State Fire Marshal's Division.

The Owatonna Fire Department maintains a state of readiness 24 hours a day, 7 days a week. In addition to responding to emergencies, Owatonna firefighters also conduct fire code inspections to help property owners eliminate unsafe conditions in their buildings. They also provide public education opportunities to our community throughout the year to prevent fires before they happen.
